

TAIL GATE AD

Tail gate billboards command eye level contact from the working population as they walk to order their food, stand and wait for preparation, and return to their place of work.

Between Stops, these unique 27" (H) by 57" (W) sized billboards generate impressions from traffic & pedestrians as they travel to and from construction sites, manufacturing sites, industrial parks, retail malls, parks, and schools everywhere.

SPECS

27"(h) x 57"(W)
